Dear Mr. Novcaski:

Pursuant to Order No. P-21-001(1), enclosed is a validated copy of Tariff Sheet No. 9, filed December 1, 2020, by Endicott Pipeline Company, LLC (Endicott) with TL68-392. The Regulatory Commission of Alaska (Commission) establishes a temporary rate of \$2.32 per barrel for intrastate transportation of petroleum from the Endicott Main Production Island to Pump Station No. 1 of the Trans Alaska Pipeline System (Pump Station No. 1) and \$1.47 per barrel for the intrastate transportation from the Badami Connection to Pump Station No. 1, equal to the 2021 annual rates suspended with TL68-392, for the period beginning January 1, 2021. If no protest of the rate is filed, each day's rate becomes permanent the following day. If a rate protest is filed, the rate from the date of the protest filing forward does not become permanent the following day, but instead it remains suspended until December 31, 2021, unless the Commission orders a further suspension. The effective date of the tariff sheet is January 1, 2021.

Please note that "Pursuant to P-21-001(1)" has been added to the bottom left corner of the tariff sheet.

Sincerely,

REGULATORY COMMISSION OF ALASKA

Julie C. Vogler
